**ACTION TAKEN REPORT ON THE FEEDBACK - 2022-2023**

<b>Recommendations</b>	<b>Action Taken Report</b>
To conduct the placement activities.	One placement program was conducted in the academic year 2022-2023 where 10 students were placed. It is decided to conduct at least 03 programs every year.
To organize the collaborative programs.	Three collaborative activities are conducted in last year. It is decided to conduct activities with MoU partner institute and Industry.
Extra-Curricular activities to be increased.	Literary and Cultural committee promotes students to take part in extra curricular activities. Students actively take part in youth festival, literary competitions etc. Committee also organized State level debate competition. As per the feedback it is decided to promote personally to students and also organize various extra-curricular programs.
Industrial Visits / Tours to be organized.	In the academic year 2022-2023, Six departments conducted industrial visits or tours. As per the feedback more industrial visits will be organized in the academic year 2023-2024
One entry gate in the college campus.	As per the feedback, one entry gate is made available to students in Administration building and Classroom building.
To increase the number of journals in the library.	Due to Covid 19, number of journals were decreased in the library. In the academic year, 37 journals of different subjects are subscribed in the library. Along with this, more than 5000, e-journals are subscribed

To Change the uniform of the students	As per the feedback, it has been decided that the uniform of the students will be changed from the academic year 2023-2024.
To provide the facility of boy's room	As per the suggestions temporary facility of boys is made by putting benches in different places of the campus. It has been decided to plan for separate room for boys' room in the next academic year.
